

INTRODUCTION TO BMX

The UCI World Cycling Centre BMX track is one of the most spectacular supercross tracks in the world. To come and try it is taking on the role of a BMX champion for 2 hours.

Discover our track while benefiting from the advice of experienced instructors that are adapted to the level of each person. No particular physical condition is required.

OPENING HOURS From Monday to Friday between 08h00 to 20h00
Upon reservation only

DURATION 2 hours

WEATHER CONDITIONS Because the BMX track is outside, we may have to cancel or postpone the introduction in adverse weather conditions for safety reasons

EQUIPMENT PROVIDED BMX bike, helmet and protections

PARTICIPATION Maximum 15 people per group (minimum 10 years old)

Due to the increasing number of requests and in order to offer you a quality service, reservations must be made as soon as possible but at least 10 days before.
